

To our exhibitors,

WABTTC would like to thank all who entered our March Shows.

This show is in a different category from the shows which cancelled BEFORE their closing dates. In our case, the show closed March 4, 2020. All monies had been transferred to our accounts, and then the SITE was closed March 14 by the City of Windsor. The Club did not cancel our show; our VENUE was cancelled by the owner due to CoVid 19 concerns. In our opinion this was the best for everyone.

However, now we have a new problem: refund or not refund. According to your entry form, we are not obligated to refund entries. However, we recognise the uniqueness of the situation we all find ourselves in, and the club has decided that we will provide refunds to exhibitors. This is not as simple as it seems; we have to unravel the payments made and work backwards.

Please be assured we are working on refunding your entries. Note any service charges incurred based on your method of payment will be deducted from your refund.

Thank you for your patience while we work through this process.

At this time, we are still intending to host our fall shows at Colasanti's Tropical Gardens Labour Day Week-end. Hope to see you there.
